Subject - Preparing and distribution of Tea to sweepers on Gang working days

---

I have the honour to state that with a view to do some intensive clearing in one Mohalla on one day in a week, the practice was brought into vogue sometime back to depute 85% of the men from each Mohalla for concentrated work to supplement the routine work of the regular Mohalla sweepers This gang work is generally done under the direct supervision of the Sanitary Inspectors The Health Officer and the Commissioner and President also make frequent surprise inspections The sweepers work from 6-30 in the morning up to about 1-30 in the afternoon Gangmen will thus have a very tight work on that day without break In order to afford them some rest and refreshment and also to give them some inducement for good work, the Health Officer proposed that it would act as great incentive, if the distribution of 'TEA' to the workers is introduced and that it would cost not more than Rs 21/- per week to give 'Tea' to about 600 men The total expenditure per annum comes to Rs 1008/-,

The Managing Committee and the Council before whom the subject came up for consideration approved of this proposal till the end of the official year, the cost being met out of 'Sweepers' Establishment, provided for in the Budget As this is a special item of expenditure I request you to kindly to obtain necessary sanction of Government to incur this expenditure from 1-11-47 till the end of the official year The bills are being paid pending sanction of Government, as the articles have to be purchased from retail dealers

Copies of the Managing Committee and the Council Resolutions dated 31-4-1947 are enclosed for ready reference
